Successful Homecoming/Anniversary Held At Rocks Baptist Church

The beautifully decorated cake shown above was served Sunday when Rocks Baptist Church in Pamplin celebrated Homecoming and 205th Anniversary of the church.

The day at Rocks Baptist Church began with Sunday School and 188 in attendance, one of the largest number in history to be present in Sunday School at this church. The morning worship service was held at 11 a.m. and was followed by dinner on the grounds.

The pastor and members of the church were well pleased with the offering for the day that will apply to paying off the mortgage on the church. Everyone was pleased with the attendance and the activities of the entire day and the pastor would like to express his appreciation to those who made this day possible.

One place that charges low interest on loans, and a place that many borrowers overlook as a source of credit, is a credit union. These are non-profit organizations which will return any money made as a profit to the borrowers, again reducing the cost of a loan.

The Appomattox Junior Woman's Club met on October 25 at the Farmer's National Bank, Plaza Branch. The highlight of the meeting was a presentation by Mrs. Jane Henningson of Concord. Members learned a great deal about a new hobby - bread dough baskets. These baskets represent an old craft which has recently gained popularity. Our ancestors actually ate out of bowls made in a similar manner. Pictured above with Mrs. Henningson is Mrs. Michael Torrence, Arts Chairman for the coming club year.
